students with their writing
for academic purposes

Working together with the author of an assignment, work is checked for:

- Errors in spelling, punctuation & grammar
- Clarity of sentence structure
- Appropriate use of headings
- Inconsistencies or ambiguities in the text
- Links within & across paragraphs
- Use of appropriate style & consistent tone

I am a qualified teacher and literacy specialist based in Nottingham. My service offers support for undergraduates and postgraduates with their written English for assignments and dissertations.

Initially, it would be preferable if you came to Nottingham to meet with me. Email or bring a sample of your work so that I can assess your needs and give you a quotation. There is no charge for this first meeting.

Your work may require only minimal changes, or it may need more detailed alterations. I will discuss this with you at our initial meeting, as my charges reflect the amount of work involved.
