INFORMATION DAYS

As part of helping you with your decision about whether to undertake psychotherapy and counselling training with us, we have found that many people find attending one of our free Information Days helpful. On each of these days we provide information about the various courses we offer the chance to spend time in one of the Institute's buildings and to meet with students and trainers.

If you are interested in studying at **Postgraduate Level**, the following date is currently available:

- Monday, 6 September 2010 (10.00 – 15.00)

If you are interested in studying at an **Undergraduate Level**, the following date is currently available:

- Tuesday, 7 September 2010 (10.00 – 15.00)

These one day events are free of charge and include lunch (£15 reservation fee is required and is refundable on attendance).

Due to the limited number of places available on the day, bookings are only confirmed upon receipt of a booking form.
