

2012 Entry Information Days

On each of these days we provide information about the various courses we offer the chance to spend time in one of the Institute's buildings and to meet with students and trainers.

Applications can be made from those who have had significant life and work experiences, but who might not have the necessary academic qualifications. Such applications will be considered on an individual basis.*

The undergraduate information days also caters for those without counselling skills training who want to develop skills their by completing our Foundation Access course, or our Counselling Concepts course. There are further personal and professional entry requirements which are outlined on the individual course pages in the main menu.

These one day events are free of charge and include a buffet lunch (**£15 reservation fee** is required to secure your place and is **refundable** on attendance). *Due to the limited number of places available on the day, bookings are only confirmed upon receipt of a completed booking form and a reservation fee.*
