A04 BSc Accreditation of Prior Learning - Application Form

Section C; Please indicate whether (or not) evidence is provided in regard to the following learning outcomes and clinical requirements;

SECTION C - APL EVIDENCE OVERVIEW			
Humanistic and Integrative Philosophy (Year 1 - Module 1)	YES	NO	OFFICE USE (APPROVAL)
1. Reflexively explore your motivation for becoming a Humanistic and Integrative Therapist.			
2. Demonstrate knowledge of the underlying concepts and principles of the Humanistic approach.			
3. Demonstrate knowledge of the underlying concepts and principles of Psychoanalytic and Behavioural approaches.			
4. Evaluate the stance of different modalities within each of the above approaches and their appropriateness within humanistic integrative psychotherapy.			
5. Demonstrate knowledge and make sound judgements relating to the principles underlying theoretical and clinical integration.			
The Therapeutic Relationship (Year 1 - Module 2)			
1. Demonstrate knowledge of the key concepts and principles of a Person-Centred approach.			
2. Demonstrate knowledge of the key concepts and principles of a Gestalt approach.			
3. Evaluate the common principles of each of the approaches studied in establishing a therapeutic relationship and the appropriateness of these principles for Humanistic and Integrative psychotherapy.			
4. Communicate effectively the skills you would use to establish, develop and maintain a Humanistic and Integrative therapeutic relationship.			
The Ethical Framework and Clinical Practice (Year 1 - Module 3)			
1. Demonstrate a knowledge of the underlying concepts and principles of the BACP Ethical Framework.			
2. Describe the fundamental values of the profession as outlined by BACP and critically evaluate these in the light of their own values.			
3. Present your own values and make sound judgements as to the ways in which these may impact the therapeutic relationship.			
Therapeutic Skills 1 (Year 1 - Module 4)			
1. Demonstrate knowledge and evaluate the skills that can help establish and promote a therapeutic relationship.			
2. Evaluate the therapeutic skills necessary to initiate, develop and maintain a Humanistic and Integrative therapeutic relationship.			
3. Demonstrate and effectively communicate your competency to use counselling skills to provide and end a therapeutic relationship.			

A04 BSc Accreditation of Prior Learning - Application Form

Culture and Diversity (Year 1 - Module 5)			
1. Demonstrate understanding and knowledge of diversity within the 21st century.			
2. Evaluate and interpret concepts and principles of possible issues of power and oppression and develop lines of argument as to how these could impact the therapeutic relationship.			
3. Using the entries in your personal journal, identify and communicate your own personal values and evaluate any possible impact of these on the therapeutic relationship.			
Clinical Obligations (I) (Year 1 - Module 6)			
1. Reflect upon 30 hours of personal therapy with a suitably qualified therapist and effectively communicate the results of your personal reflection from this process within an ongoing personal journal.			
2. Research at least two placement opportunities and make sound judgements as to their appropriateness for your practice as a Humanistic and Integrative therapist within these settings.			
3. Demonstrate the personal responsibility required for employment and progression with training.
